2. **LMC provides.** Pictures, videos and post copy for the Partner to circulate on their platforms.

3. **The Partner provides.** Regular posting of the supplied content, and a page, channel or group on LMC that the Partner creates, owns and manages, like the ones they run on WhatsApp or elsewhere.

4. **Target.** 1,200 users brought onto LMC through the Partner's unique link or code.

5. **Payment.** Total NGN 50,000, paid in four equal instalments of NGN 12,500. Each instalment is released when the Partner reaches each 25% of the target (300, 600, 900 and 1,200 users). The Partner is not paid in one lump sum.

8. **Shortfall.** If the target is not reached by the end of the 4 weeks, payment stops at the last milestone reached and nothing further is owed.

9. **Conduct.** The Partner will not buy or fake users, misrepresent LMC, or publish claims LMC has not approved. LMC may end this agreement and stop payment for breach.

10. **Changes.** Any extension or change must be agreed in writing by both parties.

Signed by both parties, who agree to the terms above.
